## IN BLACK AND WHITE

The combination of white and black will be a perfect match for any kitchen. White as the dominant colour makes any space seem both brighter and larger, while the black countertop and the characteristic recessed handles add a touch of elegance and sophistication to the interiors.

## TAFNE – BEIGE GLOSS

### PASTEL ELEGANCE

The neutral pastel colours will create an atmosphere of calmness and security in the kitchen. This effect will certainly be enhanced further by the aroma of cooked meals or freshly roasted coffee beans. You decide on the choice of colours of the countertops, bodies and handles. Play around with the colours and choose the composition that you, your family and your guests will love.

## THE ESSENCE OF CLASSIC DESIGN

White and black are undoubtedly a perfect duo, which brings a touch of sophistication and elegance to the interior. The straight decorative millings add harmony and chic to the fronts. The entire set is complemented by classic styled handles.

## CLASSIC BUT YOUNG IN SPIRIT

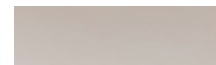

Simple furniture arrangement, where both function and decorative value are equally important. Decorative milled lines and delicate single-point handles add a touch of elegance to the fronts. This makes them the essence of classic kitchen design. Everything is overlooked by the display topped with a decorative moulding, showcasing your favourite tableware.
